Additional fees/charges may apply at time of pick-up due to higher weight, unexpected pregnancies, cryptorchid surgeries, umbilical hernias, or other services that may be needed for your animal at our veterinarian's discretion. If any animal has live fleas, a capstar will be given to kill fleas immediately and to keep the surgery site sterile. An additional charge of \$5 per capstar will be due at pick-up. You will be notified of any additional costs the day of your appointment. All cats MUST arrive in carriers, and dogs must be leashed. NO CHECKS are accepted in office day of surgery. By signing below I, the owner, acknowledge that I have read and understand this statement, and that I am responsible for all payments due at time of pick-up. I will pay any additional fees/charges that are due in office in addition to what I have sent with this application. Also, I understand there are no refunds for any reason. We will issue credit, you may pick additional services or you may donate any remainder to our sponsorship fund. MTSNC is a nonprofit 501(c)3 organization with the mission of reducing pet overpopulation and euthanasia in animal shelters.
